5.1 Mattress Recycling Pilot Update

Staff presented an overview of the success of the pilot mattress program. Highlights were the number of diverted mattresses, the cost of recycling the mattresses vs. the fees charged to residents, considerations for expanding the program, and the equated value of the landfill space being saved. The pilot project runs until the end of 2019. A staff report will be prepared for Council for July 2019.

Moved By Councillor Veale
Seconded By Councillor Ashmore

RESOLVED THAT the update on the mattress recycling program be received as presented.

Carried

5.2 Waste Strategy Planning Session

Waste Management staff emphasized the current programs aimed at diversion from the landfill. Upcoming potential programs such as transfer station vs. landfills, backyard composting, waste reduction communication, textile recycling, single use plastic bans, public space recycling and provincial direction for waste and recycling were discussed to get feedback from the committee. Topics will be incorporated into a survey to gather feedback from the public as well.

Moved By Councillor Ashmore
Seconded By Councillor Veale

RESOLVED THAT the Waste Strategy planning session discussion be received.
