Dear Kawartha Lakes Council,

Solar Flow-Through Funds is seeking confirmation of Council's endorsement to develop a ground mount solar project at the following location:

- 390 Northline Rd, Kawartha Lakes, K0M 1N0

The intent of this resolution is to allow Solar Flow-Through Funds to move forward with the above noted project only at this time. Any future applications to proceed with additional FIT solar projects will need council support individually at that time.

Thank you in advance for your support. Please do not hesitate to contact me should you have any questions or concerns.

Sincerely,
