APPENDIX " F "  
to  
REPORT COA2018-012  
FILE NO. D03-17-008

The building division has the following comments with respect to the above noted application:

Confirm setbacks to the building from the proposed property line. Provide areas of the building faces exposing the proposed property line along with area of windows. (spatial separation to new property line.)

Good afternoon,

Further to our review of the application for the above noted application, Development Engineering confirms we have no objection to the proposed consent.

We respectfully request that if additional information brought forward through the commenting period that changes the intent of the consent and the corresponding report by Planning, that Engineering be circulated for technical review on behalf of the City

Thank you.

Regards,
