# Petition to Re-pave Queen Street, Fenelon Falls

RECEIVED

JAN 20 2017

Attn: Mayor Andy Letham, Bryan Robinson (Director of Public Works) OF THE CITY CLERK  
KAWARTHA LAKES

**Ron Rojas ( Director of Engineering) and Doug Elmslie (Councilor)**

Petition summary and background	Repeated patching and filling of large pot holes has not rectified the deplorable condition of this road, which worsens every year. Vehicles have been damaged requiring often costly repairs, which is not acceptable to the residents of Queen Street.
Action petitioned for	We, the undersigned, are frustrated citizens who urge our leaders to act now to re-pave Queen Street, Fenelon Falls from the crossroad of John Street to the north end of Queen Street.
