Report Number PUR2017-020

Date: March 21, 2017
Time: 2:00 p.m.
Place: Council Chambers

Ward Community Identifier: All

Subject: 2017-29-OT Roadside Protection – Installation and Replacement of Guiderails

Author/Title: Karen Buckley
Buyer

Signature: 

Co-Author: Richard Monaghan
Sr. Engineering Technician

Signature: 

Recommendation(s):

RESOLVED THAT Report PUR2017-020, **Tender 2017-29-OT Roadside Protection – Installation and Replacement of Guiderails**, be received;

THAT Peninsula Construction Inc. of Fonthill be selected for the award of Tender 2017-29-OT for Roadside Protection – Installation and Replacement of Guiderails, for a tendered amount of \$106,474.00, plus HST;

THAT subject to receipt of the required documents, the Mayor and City Clerk be authorized to execute the agreement to award Tender 2017-29-OT Roadside Protection – Installation and Replacement of Guiderails; and

THAT the Purchasing Division be authorized to issue a purchase order.

Department Head:

Corporate Services Director / Other:

Chief Administrative Officer:

Background:

This project is a component of the Public Works Department, Road Operations ongoing initiative to improve roadside protection devices and manage deficiencies in regard to Ontario Provincial Standards and Minimum Maintenance Standards.

The project will provide for replacement of deficient guide rails, substantial maintenance of current guiderail systems or installation of new roadside protection in the Bobcaygeon, Burnt River, Eldon, Emily, Fenelon and Oakwood operating areas, and provide for improvement to bridge approach devices in a number of locations throughout the City of Kawartha Lakes.

Tender 2017-29-OT Roadside Protection – Installation and Replacement of Guiderails was released for advertising in accordance with the Purchasing Policy.

The tender closed on March 2, 2017 and was opened in public by Andy Letham, Mayor and Debbie Ball, Buyer, with the following results:

Tender Received From	Tender Amount
Peninsula Construction Inc. Fonthill	\$106,474.00
Powell (Richmond Hill) Contracting Ltd. Stouffville	\$110,595.00
354119 Ontario Limited o/a McIver Enterprises, Mitchell	\$115,952.00
Borall Fence & Guiderail Contractors Ltd. Waubashene	\$193,505.00
Hughson Fencing & Guiderail Kingston, ON	\$201,567.00

Tender submissions were checked for mathematical errors and conformity to the tender requirements. Reference checks were conducted on the recommended company with no apparent concerns.

Rationale:

Staff recommends that Peninsula Construction Inc. of Fonthill be selected for the award of Tender 2017-29-OT for Roadside Protection – Installation and Replacement of Guiderails, for a tendered amount of \$106,474.00, plus HST.

Financial Considerations:

Roadside Protection is expensed through the Public Works Operating Budget. Sufficient funds are available in the public works 2017 operating budget to cover the costs associated with this project.

Relationship of Recommendation(s) To The 2016-2019 Strategic Plan:

This project aligns with the Corporate Strategic Plan as follows;

Enabler 4 – Efficient Infrastructure and Asset Management - Installing guiderail at new locations provides protection to motorists from hazards located off the road (steep drop offs, water, etc). This in general improves the safety of our road network. The other component of this project is to replace aging three cable guiderail installations that may offer limited protection to new steel beam guiderail that offers more physical protection as well as reduced operational demands in the future.
