Re: Letter of Support – Heritage Conservation

Dear Ms. Mustard:

On behalf of the Lindsay Downtown Business Association Board of Directors and the membership, we wish to inform you that we strongly support the Heritage Conservation District in Downtown Lindsay.

Over the last few years the Lindsay Downtown BIA has been a part of the Heritage Conservation District studies and plans, and will continue to support the Heritage Conservation District through its implementation plan.

We are fortunate to have the opportunity to be a part of the Heritage Conservation District, and we look forward to keeping Lindsay Downtown intact with its historical building façades and features.

Sincerely,
