RE: Request for Exemption - CKL Noise Bylaw, 2005-025

To Whom It May Concern:

Please be advised that Adam Anderson and I will be holding our wedding reception on Saturday July 29, 2017 from 3 p.m. until approximately 1 a.m. We are expecting approximately 70 guests, 75 including vendors.

As such, we are requesting an exemption of the CKL Noise Bylaw for the duration of this event.

We will have audio equipment to play music throughout the event, and will have various speeches and announcements to be made.

The Wedding Reception will be held at 776 Killarney Bay Road, Cameron, ON, K0M 1G0 at the residence of Ron and Debra McLachlan who have given us permission to use their property for the purpose of this event. The reception will be held outside, regardless of weather conditions.

Should you require additional information pertaining to this event and/or request, please do not hesitate to contact me with the information provided above.

Thank you for your time and consideration.

Sincerely,

Cheri McLachlan
