Subject: extension to noise bylaw exemption - Cameron Lake replacement, Hwy 35
Attachments: 2015-08-14 Ltr fr Kawartha Lakes re Noise Exemption.pdf

Ms Currins

The ministry's contract for the replacement of the Highway 35 structure at Cameron Lake is ongoing. The noise bylaw exemption received last year had an ending date of November 30, 2016.

The ministry is requesting an extension of this exemption until September 1, 2017. This will allow the acceleration of the construction and less overall disruption to the travelling public.

I have attached the original correspondence. An email response is sufficient for our needs unless the City of Kawartha lakes requires a formal request.

If you have any questions, please let me know. Thank you.

Respectfully,
