Joan Abernethy

Please provide details of the matter to which you wish to speak: *

I may want to respond to the deputation the Kawartha Lakes Historical Society board intends to make to council on behalf of its membership on 22 May 2018. Because the board will not share with its members any details of what it intends to say in its deputation to council, I can provide no further details of the matter except to say that my interests are in accuracy and transparency and that what I say will respond to what the Kawartha Lakes Historical Society representative(s) say.

What action are you hoping will result from your presentation/deputation? *

The Kawartha Lakes Historical Society has struggled for years with problems that are repeated over and over again. I hope what I may say can serve the interests of transparency in the hope that the Kawartha Lakes Historical Society can recover from the difficulties that have plagued it for so long and become a viable heritage business interest in the future.
