Petition

To: the Council of the City of Kawartha Lakes, 26 Francis Street, Lindsay, ON K9V 5R8.

I/We the undersigned, petition the Council of the City of Kawartha Lakes as follows:

We, the residents of McGregor Drive, Bobcaygeon, Ontario are requesting that the City of Kawartha Lakes take measures to remediate the ongoing deterioration of our road. Our road runs parallel to Pigeon Lake in a Northerly direction from Walmac Shores. Many of us are permanent residents.

The condition of the road continues to deteriorate to the extent that at its most Northerly section there no longer is any pavement. Our road is a patchwork of patches; the shoulders of the road are eroding; sink holes are common; and periodically residents have resorted to driving off to the sides of both McGregor and Walmac in order to avoid damage to their vehicles. For the past decade, individual residents have spoken to the City's frontline staff with our concerns regarding the road conditions. This year, we were advised that the City has no existing plans to remediate the deteriorating road conditions, hence our petition.

Council, you are responsible for the stewardship of our region and its infrastructure. The residents of the City of Kawartha Lakes, even those on McGregor Drive, have a reasonable expectation that their representatives maintain the region's roads. In our minds, the City of Kawartha Lakes Public Works Department, as well as, this and previous Councils have failed the residents of McGregor Drive. It is time to do the right thing and address our concerns. It is time to resurface our road.
