Ian Forster, Chair, Coboconk, Norland & Area Chamber of Commerce  
Jennifer Wilson, General Manager, Coboconk, Norland & Area Chamber of Commerce

Please provide details of the matter to which you wish to speak: \*

The Coboconk, Norland & Area Chamber of Commerce has undertaken a project to help solve the issue of having no medical centre building in Coboconk anymore and combining it with the issue of renovating the existing Coboconk Train Station building to a modern, functional space. We propose that a Volunteer Management Board take on the project of planning, coordinating, fundraising, and executing this project so the main floor and second floor of the Train Station (currently not useable space) is renovated to become a wellness centre that would include services like: doctor (or two), walk-in clinic hours, dentist, seniors foot care, massage/physio/chiropractor, other wellness practitioners. The space will also include an area for the Railway Station Museum. Preliminary conversations with City staff indicate a willingness to work together on this project. The Coboconk Railway Station Restoration Committee of Council and the Coboconk Medical Centre Trust are supportive of the plan. Both the KL Health Care Initiative and the Kawartha North Family Health Team have offered their support and experience in helping this project move forward. A public meeting on this topic was held in Norland on May 29 that had more than 45 attendees with an enthusiastic response.

**What action are you hoping will result from your presentation/deputation? \***

We are hoping that Council supports the concept in principle and directs staff to work together with our group to bring back the framework of an agreement.
