Subject: Road Repaving. Carlto Crescent, Omemee

  
5th September 2018  
To the Mayor and Council  
City of Kawartha Lakes  
Ontario

Road Repaving. Carlton Crescent Omemee.

As a 6-year resident on Carlton Crescent, Omemee, the condition of our road is appalling! The residents on this road pay property taxes akin to those in the "905"! Despite signing petitions and talking to our current councillor Mary-Ann Martin, nothing has been done except for cleaning our drainage ditches last year.

Maintenance of this road has been otherwise limited to cold patch which washes out in the next rain storm or winter freeze-thaw cycle, and the hole opens again or a new hole develops beside the patch. We all pay for repairs to our vehicles because of the road. Please acknowledge this e-mail and advise when this matter will be tabled in council and when the appropriate department is expected to schedule the work.

Respectfully

Clive A Robertson
