## **Schedule 'A' to By-law 2018 –**

Being a By-law to designate 2 Lindsay Street South, Lindsay, City of Kawartha Lakes, as being of cultural heritage value and interest.

### **Description of Property**

The Academy Theatre is a landmark building located on the East side of Lindsay Street South, between Kent Street West and Kent Street East.

Legal Description:

PT BLK A E LINDSAY S KENT ST

PIN: 63229-0007

### **REASON FOR DESIGNATION**

Architectural Design or Physical Value:

The building exhibits Romanesque features with rounded pilasters, a gabled parapet, and red and salmon brick colour. The theatre's symmetry of design and rectangular windows also suggest a classical style of architecture that was popular in the late 19<sup>th</sup> century, but was rare to North America.

Historical Significance:

Constructed in 1892 while Lindsay was experiencing significant economic growth, the need for arts and culture was met through the construction of a brick theatre called the Academy of Music. The Romanesque building was designed by W. Blackwell of Peterborough and built by William White of Lindsay. The first performance in the theatre took place on January 5<sup>th</sup>, 1893. Some of the notable performers include Marie Dressler and Dumbells. It was one of the original silent movie houses east of Toronto, with the first movie being shown in 1913. During the middle of the 20<sup>th</sup> century, use for the theatre declined, forcing its doors to be closed in 1956. The residents of Lindsay came together in 1963 to buy and restore the theatre.

Contextual Value:

Since 1892, the Academy Theatre has been an identifying landmark of the downtown core of Lindsay, contributing to its historic streetscape and providing arts and culture for the township and the surrounding region.
