Proposed 2019 Budget

November 13, 2018

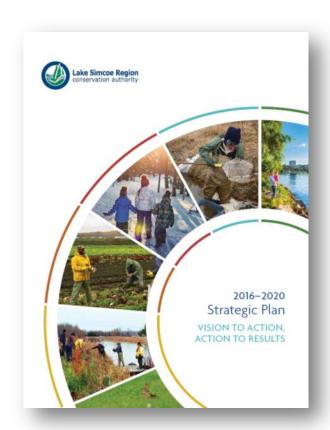

Our Shared Geography and Partnership

- 67 years conserving and restoring the Lake Simcoe watershed,
- Watershed is 3400 sq. km and spans 20 municipalities
- Jurisdiction covers all but the City of Orillia
- 18 Board members who are appointed in 4-year cycle by 9 member municipalities
- One of the fastest growing areas in Ontario.

Implementing our Strategic Plan

- LSRCA's Strategic Plan "Vision to Action, Action to Results" was completed and approved in July 2016,
- The Plan contains 4 major goals, 9 outcomes and 42 individual activities,
- Much of the strategy was enabling, resulting in the creation of new operational programs,
- Currently we have completed or have substantially completed 30 activities.

Our Commitment

Our **Vision** ... is for a thriving environment that inspires and sustains us for generations to come.

Our **Mission** ... is to work with our community to protect and restore Lake Simcoe by leading research, policy and action.

Create a Safer, Healthier, Livable Watershed

Gain Improved Knowledge & Increase Certainty

Create a Connected & Engaged Watershed Community

Become a Stronger and more Valued Organization

🖐 A Safer, Healthier and Livable Watershed

- ✓ Salt Management Strategy
- ✓ Reducing our Carbon Footprint
- ✓ Land Acquisition/Disposition Strategy
- ✓ Natural Heritage Restoration Strategy,
- ✓ Offsetting Programs (Phosphorus, Ecological, Water Balance),
- ✓ Creation of the Restoration Services Division,

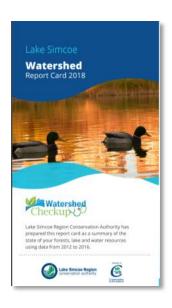

Increasing Knowledge and Certainty

- ✓ Open data access through a data portal,
- ✓ Report on environmental trends and changes occurring in the Lake Simcoe Watershed,
- ✓ Partner and collaborate to address knowledge gaps and provide training,
- ✓ Developing a Climate Change Adaptation and Mitigation Strategy,

Create a Connected & More Engaged Watershed Community

- ✓ Enhance collaboration with our First Nations partners. Identify opportunities for future partnerships and strengthen our relationship.
- ✓ Focusing on Diversity and Inclusivity
- ✓ Expanding the geographic and demographic reach of our education and outreach program.

Be a Stronger, Valued Organization

- ✓ Harmonization improving service delivery, reduce process and promote partnerships,
- ✓ Environmental Compliance Approvals,
- ✓ Scanlon Creek Operations Centre,
- ✓ Talent Management and Staff Engagement,
- ✓ Compensation Review
- ✓ Significant Operational Efficiencies (Savings)

LSRCA's History of Respecting the Taxpayer

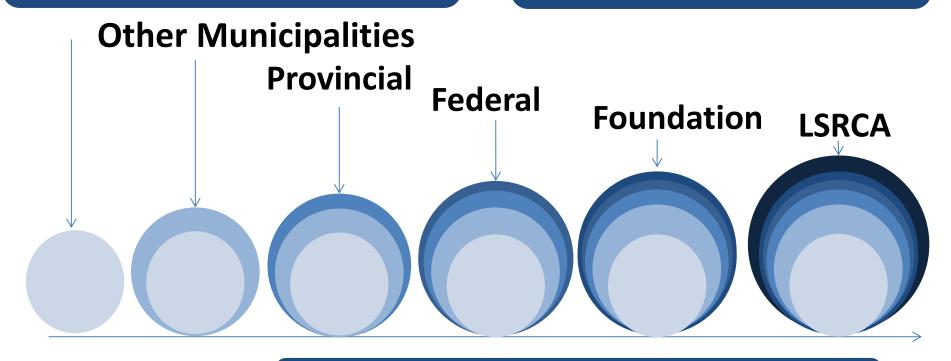

- 1% added for strategic initiatives,
- 1 % added to cost for inflation if applicable,
- Reasonable economic adjustments for existing staff and upcoming compensation review,
- Asset Management.

Leveraging Your Funds – 2018 Budget

Kawartha Lakes Investment: \$41,604

Other Partners Investment: \$17,777,436

Total Investment: \$17,819,040

2019 Investment in LSRCA: \$42,767*

	Operating		Capital		Other		Total	
2018 Approved Base	\$	15,139	\$	24,054	\$	2,411	\$	41,604
2019 Change	\$	488	\$	675	-\$	2,411	-\$	1,248
2019 Outlook	\$	15,627	\$	24,729	\$	-	\$	40,356

* Proposed Operating and Capital Budget before CVA, new CVA will be slightly less

What does Our Future Hold?

- On track to completing the Strategic Plan by 2020,
- Starting to realize the benefits of new programs,
- Completing our 2019 Annual Operating Plan with a focus on Flood Relief and Climate Change,
- Continue to respect the taxpayer,
- Building for our future Infrastructure
- Becoming a stronger organization.
