The Kawartha Lakes Sport & Recreation Council (KLSRC) is committed to the enhancement and promotion of sport, recreation and healthy active living opportunities for all citizens in CKL. We strive to support the growth of sport and recreation in CKL by providing a network for sport organizations to share resources and expertise. The KLSRC presented the Kawartha Lakes Sport and Recreation Strategy to CKL Council in 2016. We will provide an update of progress to date, including several new projects funded through provincial grants.

In 2018, the KLSRC was successful in receiving two Ontario Trillium Foundation Seed Grants in partnership with Ontario Early Years Centre and Kawartha Cycling Club. In partnership with OEYC, the KLSRC will facilitate the development of peer-mentorship and training network for early learning providers to support quality physical activity experiences for students. In partnership with the KCC, the KLSRC will create a directory of accessible and adaptive recreation opportunities across the CKL, provide training for volunteers, coaches and instructors, and run a multi-activity pilot project designed for older adults. The multi-activity project is scheduled for spring/summer 2019 in Fenelon Falls. The pilot will allow participants to try introductory sessions in a variety of activities from experienced community providers.

We would like to provide a deputation at the Council meeting Tuesday, February 12.
