Please provide details of the matter to which you wish to speak: *

We are a Agri-tourism business in Little Britain called, Dromoland Orchard & Stables. We have hosted numerous events in conjunction with The City of Kawartha Lakes, including festivals and various events at our farm. We are currently the #1 Thing To Do on TripAdvisor in Kawartha Lakes, and we attract new business to our community bringing people from the GTA to our farm and community under the Agri-tourism banner that Economic Development promotes to rural CKL. Economic Development promotes and encourages this stimulus to the economy and then the Municipal Enforcement is not informed of the new directives by The Province of Ontario and OMAFRA. Further research indicates that CKL Agricultural zoning uses have not been upgraded and in fact are negligent, effecting our communities economic growth, and undue harassment to citizens trying to stimulate a depressed economic zone. The CKL Development Services treats business as a friend initially and then a foe, and this is not acceptable and needs to be addressed as it is effecting employment and commerce significantly.

Have you discussed this matter with City Staff?

☒ Yes

☐ No

If yes, Which department and staff member(s) have you spoken to?

What action are you hoping will result from your presentation/deputation? *

That Council will recognize and acknowledge that one Department cannot encourage an entrepreneurial Agri-tourism business and once it is up and running another Department harasses, embarrasses, and threatens fines to the business without knowledge of Provincial Mandate of OMAFRA stipulating new uses for agricultural properties. This is threatening our city and prosperity.
