### Petition

To: the Council of the City of Kawartha Lakes, 26 Francis Street, Lindsay, ON K9V 5R8.

I/We the undersigned, petition the Council of the City of Kawartha Lakes as follows:

Our access road (Kennedy Bay) is one of the worst streets in CKL, It has become a hazard to vehicles trying to navigate, due to the huge and deep potholes! They are beyond trying to avoid and very dangerous to our axles and shocks, etc. We need something done immediately, but no more patching, because it does no good, and hasn't for at least the last ten (10) years.
