Background:

On February 11th, 2014, Council approved the “Building Strong Communities – 10 Year Housing & Homelessness Plan”

The HHP is consistent with legislation, Ontario Regulations and the provincial Housing Policy Statement, and:

- Identifies current and future housing needs;
- Sets out objectives and targets (goals) relating to housing needs;
- Proposes actions to meet the goals; and,
- Establishes a process to measure and report progress towards meeting the goals.

Each year, by June 30th, an annual report on progress of the plan must be made available to the Ministry and to the public. The report will provide details on the measures taken to meet the objectives of the plan.

Rationale:

The fifth annual report, highlighting 2018, is included as Attachment A. Copies of the report will be made available to the public through the City and County websites and through distribution to key stakeholders.

Relationship of Recommendation(s) To The 2016-2019 Strategic Plan:

This report aligns with the Strategic Goal of an Exceptional Quality of Life.
