

Council Memorandum

Date: June 4th, 2019

To: Council

From: Councillor Pat Dunn

Re: St. James Street

Recommendation

That the memorandum from Councillor Dunn, regarding St. James Street, be received;

That staff review the condition of St. James Street and report back to council with recommended improvements before the end of Q3 2019; and

That the engineering of St. James Street be included in the 2020 Budget under the Urban and Rural Reconstruction Program as a Decision Unit.

Rationale

St. James Street is a short street running from Riverside Road to Dominion Drive in the town of Lindsay. While the entire road is in disrepair, the block between Queen Street and Dominion Drive is, and has been for the past ten years, in particularly poor condition. The street has deteriorated to such a degree, that it is beyond remedial repair and will require reconstruction.
