Aaron Sloan MLEO(c), CPSO, CMMIII - *Manager of Municipal Law Enforcement Division*

March 24, 2017

Insert res...

Dear Property Owner,

The City of Kawartha Lakes and the Municipal Law Enforcement Division are considering *Prohibited Parking* areas along Long Beach Road. The recommendation to Council will suggest that *Prohibited Parking* be added to both sides of the roadway 50 m in either direction (map attached). We are sending this letter to the area residents to invite comments or concerns to the proposed changes.

Currently, the areas being considered for *prohibited parking* are as follows:

- Both sides of Long Beach Road 50 m in either direction of the corner. (See attached map)

The purpose of the parking regulation is to assist in the safe movement of traffic, to ensure the safety of the public using our roadways and to allow for the safe and efficient passage of emergency vehicles. The areas around the sharp corner and along the lake front are very narrow and can become very congested if parking is permitted. The Municipal Law Enforcement Division has received numerous complaints that driveways are being blocked and that the road width due to vehicle parking becomes very restrictive. Currently parking is permitted on these roadways.

Please return any comment/concern by April 28, 2017 at 4:30 p.m. by contacting the undersigned.

Respectfully yours,

E. Aaron Sloan
