To: Kawartha Lakes AAC

From: Barbara Condie, Accessibility Officer

Re: Standards Committee Review of the Information and Communications Standard

This memo is to inform you that the Information and Communications Standards Committee is seeking feedback on their most recent review of the Standard. This information can be found on the Ontario Website at this address

<https://www.ontario.ca/page/review-information-and-communications-standards-2019-initial-recommendations-report>

I would encourage the membership to read through the recommendations and to complete the survey on Phase 1 and Phase 2. The deadline to submit your comments is by Friday, September 27th.

We will discuss at the meeting if you would wish to submit comments to Council for their consideration.
