Please accept this formal request to deliver a presentation to the Kawartha Lakes Committee of the Whole at their scheduled meeting on Tuesday, October 8th. The Haliburton, Kawartha Lakes, Northumberland Drug Strategy (HKLNDS) is excited for the opportunity to present on the work of the local drug strategy and share the successes of projects and initiatives implemented to date.

Substance use has been identified by residents throughout the city as a key area of concern that has an impact on health, crime, safety, family strength and community wellness.

A comprehensive plan to reduce the negative effects of substance use is necessary to reduce fragmentation, limit duplication of services, and ensure community activities are well informed. The HKLNDS stems from recognition that a coordinated and local strategy is necessary to reduce the harms associated with substance use – on individuals, families and communities.

Please attach any additional supporting documents you wish to provide and submit with this completed form.
