This is regarding winter services for McGuire Beach Road Kirkfield.  
On Tuesday, January 22, 2019 I bring my concern to the council COW2018-01.4.5  
On that council Councillor Yeo and Councillor Dunn that staff will review the provision of winter maintenance on unassumed road on a fee for service basis;  
and the staff report back to council on the matter by Q2 of 2019'

No one from that staff contacted me regarding the evaluation on this matter. As of today I still don't know what happened with that review.

I believe that no one in the council has any interest for unassumed road.

I will like to hear from the staff manager for the road service what he has to say, McGuire Beach Property owners Ass Corp is not asking for a miracle we are asking for a fair resolution, You should always have to come and service half of McGuire Beach Road we have a turn around at the end of our road this is a lot safer than doing a U-turn just where the gravel road starts. The association will pay the city like they always do, this will cover the expense for the city to plow the pavement road.

I should be advised of what the review was
