Hello,

The attached petition has been drafted to have the City of Kawartha Lakes take action and resurface the entire length of Wispi Shore Road, City of Kawartha Lakes .
To date, 18 residents of the street have signed the petition and we are able to get more signatures but were asked to submit the petition for your upcoming council meeting.

I confirm that I am responsible for the contents of this petition and its submission to the municipality.   I can be reached at any time for further input or clarification at the contact information provided below.
We would ask that our Ward 6 counselor, Ron Ashmore, be kept informed of the status of our request so that he can keep us updated.

Kindest regards,

Marianne Husar
