Dear Mayor Andy Letham and Ward 2 Councillor Emmett Yeo, I am a cottage owner at [REDACTED] and I am writing this email with regards to the request to reduce the speed limit on North Bay Drive from 50 kph to 40 kph. I understand that there is a meeting on Tuesday, September 12, 2017 to discuss this and I would like to confirm to you that my wife, Sharron Wilson and I are in complete support of the speed reduction on North Bay Drive from 50 kph to 40 kph.. Please represent my position at the meeting on Tuesday as I am unable to attend in person. Thank you.
