Dear Sir:

Re: Kirkfield Fire Station

---

With respect to the efforts by the City of Kawartha Lakes Fire Department – Kirkfield Station to obtain funding to purchase an off road ATV (anticipated cost \$15,000.00 – \$16,000.00), this will confirm that the Webster family supports the Kirkfield request to obtain full funding from the “Victoria Road Hall Fund”.

This is the fund into which Five W Farms Inc./Webster family pays into based on shipments from our Victoria Road Quarry which is operated by Halton Crushed Stone.

If further clarification is required, please contact me.

Yours truly,

  
-----  
**JAMES R. WEBSTER**  
President, Five W Farms Inc.
