

# The Corporation of the City of Kawartha Lakes

## By-Law 2020-

### A By-law to Amend By-law 2016-144, being a By-law for Collection and Management of Waste and Recyclables within The City of Kawartha Lakes

#### Recitals

1. By-law 2016-144, being a By-law for Collection and Management of Waste and Recyclables within the City of Kawartha Lakes, was adopted by Council on August 9, 2016.
2. At the February 18, 2020 Regular Council Meeting, Council approved Resolution CR2020-\_\_ directing that the necessary by-law amendments identified in Council Report WM2020-001, Waste Management By-law 2016-144 Update, be brought forward to Council for adoption.
3. This By-law Amends By-law 2016-144 to reflect this decision.

Accordingly, the Council of The Corporation of the City of Kawartha Lakes enacts this By-law 2020-█.

#### Section 1.00: Definitions and Interpretation

##### 1.01 Definitions: In this by-law,

All defined terms in the amending by-law take their meaning from By-law 2016-144, as amended, of the City of Kawartha Lakes.

##### 1.02 Interpretation Rules:

- (a) The Schedules attached to this by-law form part of the by-law, and are enforceable as such.

#### Section 2.00: Amendment Details

##### 2.01 Amendment: That the definition of Bulky Items, Landfill Site, Low Density Residential Building and Recyclable Materials within Section 1.02 shall be amended to read as follows:

"**Bulky Items**" includes but is not limited to refrigerator, oven, stove, washer, dryer, dishwasher, freezer, air conditioning unit, microwave oven, barbeque, patio furniture, oil tank, furnace, TV, monitor, vacuum cleaner, hot water heater, wood burning stove, child's swing set, humidifier, toilet, sink, furniture and any other items so designated by the Director of Public works and his or her designate from time to time that are discarded by a user or owner but do not fit into an approved container such as a 61 cm (24 inches) X 91 cm (36 inches) clear waste bag or normal waste container.

**"Landfill Site"** includes any area of land designated as such by the City to be used for the disposal of waste as approved by the Ministry of the Environment, Conservation and Parks.

**"Low Density Residential Building"** includes lands zoned to permit a single detached dwelling, semi-detached dwelling, a duplex, accessory dwelling units or other similar residential development containing fewer than three (3) residential dwelling units, including farms.

**"Recyclable Materials"** Currently includes but is not limited to glass, metal cans, plastics containers, polycoat containers, paper, and cardboard an any other material designated by the Director of Public works and his or her designate to be recyclable material.

2.02 **Amendment:** That Section 1.06 (a) shall be amended to read as follows:

1.06(a) determine collection schedules specifying the time, day and frequency of collection services and when landfills are open or closed and to give notice to the public of such collection schedules or temporary closure of landfills.

2.03 **Amendment:** That Section 1.06 shall be amended to include Section 1.06 (p) as follows:

1.06(p) Set and alter temporary pilot scale projects related to waste and recycling.

2.04 **Amendment:** That Section 3.02(a)(iii) shall be amended as follows:

3.02(a)(iii) Vegetation cut back to five metres (15 feet) height and four metres (12 feet) width

2.05 **Amendment:** That Section 3.02(a) shall be amended to include Section 3.02(a)(v) as follows:

3.02(a)(v) Must have an appropriate location for a truck to turn around. Turn arounds can be situated on private lands with permission from the land owner.

2.06 **Amendment:** That Section 3.03(e) shall be amended to include a reference to Family Day.

2.07 **Amendment:** That Section 3.04(b)(i)(9) and 3.04(b)(ii)(8) shall be amended as follows:

"The waste disposal does not contain more than 10% of recyclables by volume per bag."

2.08 **Amendment:** That Section 3.05(b)(i)(2) shall be amended as follows:

3.05(b)(b)(i)(2) Recyclable materials shall be placed at the curb in either 53 to 61 litres (14 to 22 gallon) green or blue recycling box or similar sized box or container. Large barrels,

waste receptacles and plastic bags including clear plastic bags are prohibited.

- 2.09 **Amendment:** That Section 3.05(b)(i)(5) shall be amended to read as follows:

3.05(b)(i)(5) The recyclable material for recycling does not contain more than 10% of waste by volume per box.

- 2.10 **Amendment:** That Sections 3.05(b)(ii)(4) and 3.05(b)(iii)(5) shall be amended to read as follows:

“The recyclable material for recycling does not contain more than 10% of waste by volume per caddy/cart.”

- 2.11 **Amendment:** That Section 3.06(a) shall be amended to read as follows:

3.06(a) Bulky Items and Mattresses

- 2.12 **Amendment:** That Section 3.06(a)(ii) shall be amended to read as follows:

3.06(a)(ii) Where the City provides curbside collection for bulky items and mattresses, such curbside collection shall be provided at collection locations and in accordance with the following procedures. The user must:

- 2.13 **Amendment:** That Section 3.06(a)(i)(5) shall be amended to read as follows:

3.06(a)(i)(5) Purchase a large tag or mattress tag from the City or one (1) of its registered vendors and affixed the tag to each bulky item and or large item(s)

- 2.14 **Amendment:** That Section 3.06(b)(b)(1) shall be amended to read as follows:

Section 3.06(b)(b)(1) Leaf and yard material shall be in dry, compostable paper bags. Plastic bags will not be accepted.

- 2.15 **Amendment:** That Section 4.02(a) shall be amended to read as follows:

Public access to a City landfill site shall be limited to hours permitted in the Certificate of Approval/Environmental Compliance Approval and/or determined by the Director of Public Works and his or her designate and posted at the site. Temporary closure of landfills may occur at the discretion of the Director or designate.

- 2.16 **Amendment:** That Section 4.07(a) shall be amended to read as follows:

4.07(a) Loads delivered or deposited at any landfill site loads for disposal shall not be contaminated with more than 10% by volume per load of recyclable materials, leaf and yard waste materials, scrap tires, waste electrical and electronic

equipment, scrap metal or other material for recycling as designated by the Director of Public Works and his or her designate from time to time.

- 2.17 **Amendment:** That Section 5.01 shall be amended to include 5.01(c) as follows:

“Tipping Fees may be subject to change temporarily from the approved Consolidated Fees By-law at the discretion of the Director as a result of a pilot study or incentive programs. Pilot studies under this by-law can be set by the Director.

- 2.18 **Amendment:** That Section 5.02 shall be amended by deleting Section 5.02(a)(v).

### **Section 3.00: Administration and Effective Date**

- 3.01 **Administration of the By-law:** The Director of Public Works is responsible for the administration of this by-law.

- 3.02 **Effective Date:** This By-law shall come into force on the date it is finally passed.

By-law read a first, second and third time, and finally passed, this 18 day of February, 2020.
