## Background:

The Waste Management Advisory Committee is established to ensure the development and implementation of the ongoing Integrated Waste Management Strategy and subsequent revisions for the City of Kawartha Lakes and to provide recommendations to Council specific to the Strategy. This committee was formerly designated as the Waste Strategy Task Force, but was established as a committee in December of 2018.

This report provides a summary of the work that was completed by the committee in the rational section below for 2019 and a proposed 2020 Work Plan is attached as Appendix A. The 2020 work plan has been reviewed by the Waste Management Advisory Committee and they made the following resolution at the January 20, 2020 committee meeting:

**MOVED BY** Councillor Yeo  
**SECONDED BY** C. Appleton

**RESOLVED THAT** the Waste Management Advisory Committee supports the 2019 Work Summary and 2020 Work Plan.

**CARRIED**

## Rationale:

A summary of the 2019 work that was completed by the Waste Management Advisory Committee is provided in the table below:

Goal	Completed in 2019
Advise and provide support and guidance to staff to the ongoing development, revisions and implementation of the Integrated Waste Management Strategy	<p>The Committee was consulted through all stages of the Strategy Update throughout 2019 and provided valuable feedback and ideas</p> <ul style="list-style-type: none"><li>• Feb-reviewed successes of current Strategy and an outline of ideas for Strategy update was presented</li><li>• March-brainstorming session for Strategy ideas</li><li>• April-began planning for public consultation on the update through a survey and public meeting</li><li>• May- approved recommendations by staff on Strategy initiatives for mattress recycling and construction and demolition pilot programs</li><li>• June- conducted a start, stop, continue</li></ul>

Goal	Completed in 2019
	<p>exercise for implementing Strategy initiatives</p> <ul style="list-style-type: none"> <li>• Aug- reviewed results of survey and public meeting</li> <li>• Sept-reviewed first draft of Strategy Update</li> <li>• Oct- reviewed and approved second draft of Strategy Update</li> </ul>
<p>Assist with public consultation and make recommendations based on the public consultation with regard to the Integrated Waste Management Strategy for the City of Kawartha Lakes.</p>	<p>Throughout the year the committee assisted staff with the public consultation process of the Strategy Update by reviewing survey questions, public meeting activities, and the data received as a result of the public consultation process. Public consultation was a key factor in determining the best options and initiatives to focus on in the Strategy Update.</p>
<p>Ensure that the development and implementation of the Integrated Waste Management Strategy achieves Council's strategic priorities.</p>	<p>Throughout the update process the committee provided insight and feedback in line with Council's strategic priorities.</p>

Of note, in 2020 the Waste Management Advisory Committee will provide input as needed and required to any EA related studies (preliminary or otherwise) that will provide a basis for future long term waste disposal options for the City.

Staff is confident the work of the Waste Management Advisory Committee will be of value to the residents of the City of Kawartha Lakes. Staff recommends the 2020 work plan be approved by Council.

## **Other Alternatives Considered:**

No alternatives were considered.

## **Financial/Operation Impacts:**

The proposed 2019 Work Plan has no significant financial impacts.

## **Relationship of Recommendation(s) To The 2020-2023 Strategic Plan:**

The Waste Management Advisory Committee provides a link between the City and the public by providing a forum for open dialogue regarding the Integrated Waste Management Strategy. The activities of the Committee do align with the City's Strategic Priorities specifically "A Healthy Environment". The committee provides input on the Integrated Waste Management Strategy.

## **Servicing Implications:**

The Committee works with Staff to ensure efficient waste management operations in the City. This ensures the residents of the City have access to reliable waste disposal in an environmentally and fiscally responsible manner.
