Petition

To: the Council of the City of Kawartha Lakes, 26 Francis Street, Lindsay, ON K9V 5R8.

I/We the undersigned, petition the Council of the City of Kawartha Lakes as follows:

The undersigned residents of the community known as Victoria Place in Bobcaygeon, would like to present this petition as a sign of unity, in pursuing the implementation of a plan to replace all of the roads within our community from end to end, in a reasonable timeframe. Based on the taxes paid to the City of Kawartha Lakes by our community, we believe that it is within our rights that we receive the attention deserved regarding this matter. In the past, sections of the roads have been haphazardly fixed with little to no long term results and at a cost that outweighs the benefits. Based on these facts, we feel a new plan needs to be implemented.
