

PETITION TO CITY OF KAWARTHA LAKES  
Highway 48 Speed Limit and Parking at Causeway

We, the residents of Kirkfield on Highway 48, Sapphire Lane and Mitchellview Rd. would like the speed limit over the causeway (crossing Mitchell Lake between Coboconk and Kirkfield), reduced to 50 km/h, for reasons of safety and visibility. The speed limit immediately before and immediately after the causeway is 50-60 km/h. We are also requesting that "No Parking" signs be posted on the shoulders at the residential (Kirkfield) end of the causeway; presently, cars are parking to fish off the causeway, causing a hazard due to poor visibility, and also leaving litter and debris behind.
