 Ontario Clean Water Agency	City of Kawartha Lakes Multi Facility Operational Plan	QEMS Doc: OP-03A Rev Date: 09-Oct-20 Rev No: 5 Pages: 1 of 3
SIGNED COMMITMENT AND ENDORSEMENT		

This Operational Plan sets out the framework for OCWA' Quality & Environmental Management System (QEMS) that is specific and relevant to your drinking water system(s) and supports the overall goal of OCWA and the City of Kawartha Lakes (Owner) to provide safe, cost-effective drinking water through sustained cooperation. OCWA will be responsible for developing, implementing, maintaining and continually improving its QEMS with respect to the operation and maintenance of the City of Kawartha Lakes Drinking Water Systems (CKL DWS) and will do so in a manner that ensures compliance with applicable legislative and regulatory requirements.

Through the endorsement of this Operational Plan, the Owner commits to work with OCWA to facilitate this goal.
