

URGENT REQUEST FOR CROSSWALK

We, the undersigned residents of a single building having two addresses at 105 Lindsay Street and 70 Murray Street in the Village of Fenelon Falls, Ontario, present this petition to formally and urgently request the installation of a pedestrian crosswalk at 105 Lindsay Street, also known as Highway 121, so that its residents may safely cross to access the sidewalk on the west side. The majority of tenants living in the building are seniors who require mobility devices essential to their health and wellbeing.

Located on the west side of Lindsay Street/Highway 121 are Royal Canadian Legion, Fenelon Falls Community Centre, Signature Restaurant, Canadian Tire, Home Hardware and Godfathers Pizza. All these facilities are popular with the building's residents and crossing this busy thoroughfare to access them presents a real risk which can lead to injury and endangerment of life.

This request has been approved and endorsed by Fenelon Area Independent Living Association (FAILA).

Amanda Fleming, Executive Director, FAILA
