

Council Memorandum

Date:	January 12, 2020
To:	Committee of the Whole
From:	Councillor Ashmore
Re:	Omeme Beach Park Splash Pad

Recommendation

That the Memorandum from Councillor Ashmore regarding the **Omeme Beach Park Splash Pad** be received;

That staff develop a plan consistent with past community partnerships for the infrastructure with costing to establish a splash pad in Omeme;

That staff report back in Q2 2021; and

That this recommendation be forwarded to Council for consideration at the next regular council meeting.

Rationale

The demographics in Omeme are evolving. Many young families are moving into the village and surrounding area. Many residents in Omeme have expressed a desire for the construction of a Splash Pad at the Omeme Beach Park. Such a facility will be a much welcomed addition.

Through consultation with local individuals, business owners and community groups it has become clear that there is strong support to initiate the construction of this new Splash Pad. This will create a community partnership between these groups and the

City of Kawartha Lakes. The citizens in Omemee and surrounding areas with a population of over 2,500 are asking for your support in this small addition to their local park which will be enjoyed by generations to come.
