Deputant Two:

Please provide details of the matter to which you wish to speak: *

I would like to speak to Councilor Veale's item COW 2021-01.8.6 - Memorandum Regarding Review of Service Levels by the CAO.

I am in support of the Councilor's request but think that it should be treated as one deliverable of a more comprehensive Service Plan. This is especially true as staff are currently working on a report back to council regarding enhancements to case management (a key enabler of service management and reporting). To undertake the councilor's request in isolation would potentially duplicate effort and/or make the results less useful.

I will have a Powerpoint presentation to share.

Please attach any additional supporting documents you wish to provide and submit with this completed form.

Have you discussed this matter with City Staff?

- ☐ Yes
☒ No

If yes, Which department and staff member(s) have you spoken to?

What action are you hoping will result from your presentation/deputation? *

The city will undertake the review of service levels as requested by Councilor Veale but the effort will be included as an item in an integrated plan for program enhancements for case management being crafted as a report back requested by council (Oct 20, 2020 Regular Council meeting CR2020-302). Also, that citizen input be part of the service level review and report back. That the results be shared publicly to increase public awareness of service performance, including through the creation of a Service Performance Forum on the city's Jump In platform.
