We are looking for support from the City of Kawartha Lakes that will enable a level of stability in the operations of the Olde Gaol Museum that continues to bring tourists to our area. Core salary funding, as discussed in our presentation of August 20, 2020 is required. Municipalities across Ontario are supporting their Museums through core salary funding. We have done everything we were asked to do last fall and as requested, have waited for the Covid Relief funding to be launched. As you are aware, this program does nothing to address our needs. There have been positive discussions with city staff and the positive actions and relationships continue to build. The minimum funding required at this time is two positions in order to stabilize and continue to grow and improve on this positive tourist attraction in the City of Kawartha Lakes. We all need to continue to collect, maintain and share broadly the history of the City of Kawartha Lakes. (Please refer to previous deputation distributed August 2020)

Please attach any additional supporting documents you wish to provide and submit with this completed form.
