Department Head: _____

Financial/Legal/HR/Other: _____

Chief Administrative Officer: _____

Background:

The Municipal Act, 2001, in subsection 284(1), requires that the Treasurer of each municipality provide, on or before March 31st, to the Council of the municipality, an itemized statement of remuneration and expenses, paid in the previous year, to each member of Council in respect to their services as a member of Council or as an officer of a local board, to which the members has been appointed by Council. The summary, in Attachment A, has been provided individually to the Mayor and Council prior to this meeting.

The report must also include remuneration and expenses paid in the previous year to persons other than Council, appointed by the municipality, to serve as a member of a local board.

A local board, as per the Municipal Act, means a municipal service board, public library board, police services board, planning board, or any other board, commission, committee, body or local authority established or exercising any power under any Act with respect to the affairs or purposes of one or more municipality, excluding a school board and a conservation authority. Given the above definition of local board the police services board remuneration and expenses has been provided in addition to council remuneration and expenses.

Rationale:

Councillor Expenses:

There was a significant decrease in Councillor expenses due to the pandemic. There were virtual meetings in lieu of in person meetings, therefore there was no mileage. Most conferences and seminars were cancelled or set up virtually.

Police Board Expenses:

Police Board salaries have remained relatively the same compared to 2019. As of December 1, 2018, the Mayor and/or Councillor that serves on this Board was not paid a salary. The expenses were significantly less compared to 2019, solely due to the pandemic.

This report is presented in order to comply with the Municipal Act, 2001.
