We own the triplex at 121-123 William Street North. We have invested in this property as we believe that it is important to restore and save the beautiful older buildings in our community. I, Marsha, live in 123 William Street North and there are tenants in the 2 units at 121 William Street North. We have a tenant who was in the property when we purchased the property. [REDACTED]

[REDACTED]

We received a water bill for \$1527.93 dated January 26, 2021. I called the Utility department to question this bill. Laurie Monahan suggested that I check all of the toilets in the building. I did this and our [REDACTED] tenant disclosed that [REDACTED] toilet is "running a little bit". We are replacing this toilet immediately to address this issue and have again asked [REDACTED] to let us know when there are any issues regarding maintenance or repairs that need to be addressed..

We are seeking your assistance with the cost of this water bill.

Thank you for your consideration.

Please attach any additional supporting documents you wish to provide and submit with this completed form.

We are requesting assistance with the cost of this water bill. We would of course be more than happy to pay the cost of the water used other than for the running toilet. We are requesting assistance for the cost of the water used due to the running toilet.
