Financial/Legal/HR/Other: _____

Chief Administrative Officer: _____

Background:

Under the City of Kawartha Lakes' delegated authority by-law for the alteration of designated heritage properties (By-law 2019-154), approvals for minor alterations to properties designated individually under Part IV of the Act are delegated to staff in consultation with the Kawartha Lakes Municipal Heritage Committee. Minor alterations are defined in the by-law and include changes to the property including, but not limited to, the replacement of exterior elements, additions, the construction of accessory structures, hard landscaping, and the installation of utilities.

50 Victoria Avenue North is designated under Part IV of the Ontario Heritage Act by by-law 2000-068 and is currently home the Old Gaol Museum. The building is owned by the City of Kawartha Lakes.

Building and Property staff are proposing the installation of new lighting on the exterior of the building. A total of six new lights will be installed: one above the north exit by the stairs; two on the north wall; one above the ground level above the east exit; one of the south east wall; and one about the south basement door. A specification sheet for the proposed lighting is attached as Appendix A.

Rationale:

The designated property is a public building and requires exterior lighting for safety and accessibility. The proposed lighting is minimal in its profile and is unlikely to have an impact on the heritage attributes of the property.

Other Alternatives Considered:

There are no recommended alternatives.

Financial/Operation Impacts:

There are no financial implications as a result of the recommendations of this report.
