2.03 Textual Amendment – Details

“Sensitive Land Use means buildings, amenity areas or outdoor spaces where routine or normal activities occurring at reasonably expected times would experience one or more adverse effects from contaminant discharges generated by a nearby major facility. Sensitive land uses may be part of the built or natural environment. Examples include residences, day care centres, and educational and health centres.”

Section 2:00 Township of Bexley Zoning By-law No. 93-09

2.01 Property Affected: The Property affected by this Section is described as lands within the former Township of Bexley.

2.02 Textual Amendment: By-law No. 93-09 of the Township of Bexley is amended by:

2.02.1 In Part 2 – Definitions, replacing the definition for Agricultural Use, Industry, Heavy, Industry, Light, and Industry, Medium, with the following:

“Agricultural Use means a use of land, buildings or structures for the purpose of forestry, field crops, fruit farming, market gardening, dairying, animal husbandry, aquaculture, poultry or beekeeping, and such uses as are customarily and normally related to agriculture but does not include Cannabis Production and Processing Facilities.”

“Industry, Heavy, means an industry, assembly, manufacturing, or processing plant which is land intensive or predominantly conducted in an open or unenclosed space or which by their nature, including volume of truck traffic, use of hazardous or flammable materials, the discharge of noise, odours or particulate matter require extensive buffering. Examples of such uses are steel mills, steel fabricating, metal or rubber recovery plants, foundries, pesticide manufacturing, refineries and bulk fuel storage facilities. This use does not include Cannabis Production and Processing Facilities.”

“Industry, Light, means an industry which is conducted and wholly contained within an enclosed building and the operation of which does not produce emissions of noise, smoke, odour, particulate matter or vibration which is detectable beyond any lot line. Examples of such uses are light assembly, electronics, warehousing and industrial malls. This use does not include Cannabis Production and Processing Facilities.”

“Industry, Medium, means an industry, assembly, manufacturing or processing plant which is predominantly conducted within a wholly enclosed building but which may also involve open storage. Examples of such uses are sheet metal, plastic, fibre glass or wood fabricating, motor vehicle body repair shops and food processing facilities. This use does not include Cannabis Production and Processing Facilities.”

2.02.2 In Part 3: General Provisions, adding the following:

“3.23 Cannabis Production and Processing Facilities

3.23.1 Notwithstanding any other provision of this Bylaw, Cannabis Production and Processing Facilities shall be subject to the following provisions; this by-law only allows for the Production and Processing of cannabis for operators in possession of a valid license or registration by the federal Minister of Health,

pursuant to the Access to Cannabis for Medical Purposes Regulations, SOR/2016-230, to the Controlled Drugs and Substances Act, SC 1996, c 19, as amended from time to time, or any successors thereto.

3.23.2 The cannabis production and processing facility shall comply with all regulations prescribed within the zones where the use is permitted.

3.23.3 Notwithstanding 3.23.2:

- i. in the Rural General (RG) Zone and General Industrial (M2) Zone, a cannabis production and processing facility equipped with air filtration control shall not be located closer than 70m to a Sensitive Land Use. This setback shall be measured from the building line or crop line of the Cannabis Production and Processing Facility to the nearest building line of the sensitive land use.
- ii. in the Rural General (RG) Zone and General Industrial (M2) Zone, a cannabis production and processing facility without air filtration control shall not be located close than 300m to a Sensitive Land Use. This setback shall be measured from the building line or crop line of the Cannabis Production and Processing Facility to the nearest building line of the sensitive land use.”
