Subject: No ATV'S on walking trails

I was a member of the Bruce and Ganaraska trail associations for many years. It was our experience that Motorized vehicles and Pedestrians do not mix! I walk the trail and many times I meet a couple that have five children and I applaud them for getting their family out for fresh air and exercise. Riding a motorized vehicle is not exercise just polluting. PLEASE NO ATV'S OR DIRT BIKES ON THE TRAILS.. Buy property for this purpose.
