|--------------|----------------------------|
| <b>Date:</b> | June 1, 2021               |
| <b>To:</b>   | Committee of the Whole     |
| <b>From:</b> | Councillor Seymour-Fagan   |
| <b>Re:</b>   | <b>Noise By-Law Review</b> |

### Recommendation

**That** the memorandum from Councillor Seymour-Fagan, **regarding Noise By-law Review** be received;

**That** staff review the noise bylaw for inconsistencies and report back in Q4, 2021; and

**That** this recommendation be forwarded to Council for consideration at the next Regular Council meeting.

### Rationale

The types of noises that are created by people, places and activity has impacted the schedules attached to the Noise By-Law. The inconsistency between noise type and time as prohibited, should be reviewed, specifically with regards to schedules A, B, and C. Schedule B outlines the times in which certain noises are permitted, for example: the playing of percussion instruments and singing can only occur until from 11AM until 11PM however, hooting, yelling and boisterous activity ends at 9PM.
