Attention: Ms. Judy Currins, City Clerk

Your Worship and Members of Council,

**Re: Council Meeting June 27, 2017
Agenda Item 10.4.1
Report: PLAN2017-039
OPA No. 15 Lindsay Secondary Plan (the "Secondary Plan")**

We are counsel to Lindsay Square Mall Inc., the owner of the Lindsay Square Mall, located at 401 Kent Street West.

On December 7, 2015, we submitted a letter advising of our client's support for the Secondary Plan, as it was then proposed. We understand that no changes are proposed from the version of the Secondary Plan that Council previously endorsed in December, 2015 and the version recommended by City Planning Staff in Report PLAN2017-039.

On this basis, we confirm that our client continues to support the adoption of the Secondary Plan for the reasons set out in our previous letter, as well as the correspondence previously submitted by our client's planning consultants, MHBC.

Please provide us with notice of Council's decision respecting this matter.

Yours truly,

DAVIES HOWE LLP

Meaghan McDermid
