Please provide details of the matter to which you wish to speak: *

Bobcaygeon needs a safer alternative to the current pedestrian crossing of CR 36 at Mill Street. This busy intersection usually requires a long wait, often a quick sprint (and frequently both).

The Bobcaygeon Active Transportation Plan, endorsed by City Council, identified a safer alternative... utilizing the pathway beginning at Squires Row and proceeding behind the Bobcaygeon Medical Building (see attached exhibit). Most of this pathway runs along the City's utility corridor. A smaller portion would need to cross both private property of the Medical Building and City property that leads to the traffic lights at CR 36 and King Street.

Lorne Newton, owner of the Medical Building property, is willing to consider a tax receipt for the fair market value of land (donated free of charge to the City) in order to facilitate this safer pedestrian crossing.

W&G Landscaping & Construction, a City preferred contractor, estimates the cost to complete the path at \$8,000 (including grading, stone and culvert).

Please attach any additional supporting documents you wish to provide and submit with this completed form.

Have you discussed this matter with City Staff?

☒ Yes

☐ No

If yes, Which department and staff member(s) have you spoken to?

What action are you hoping will result from your presentation/deputation? *

- . Agreement in principle to provide a tax receipt to the owner of the Bobcaygeon Medical Centre for the fair market value of land donated to the City (for purposes of completing a walking/cycling path from Squires Row to the traffic lights at CR 36 and King Street).
- . Consideration for the inclusion of \$11,000 in the 2021 City budget to complete the donation of land (no cost), property survey (\$1,500), property appraisal (\$1,500) and path construction (\$8,000).
- . Periodic snow removal (perhaps when it's also required along the nearby Mill Street pathway/sidewalk).
