Petition

To: the Council of the City of Kawartha Lakes, 26 Francis Street, Lindsay, ON K9V 5R8.

I/We the undersigned, petition the Council of the City of Kawartha Lakes as follows:

Existing Dock holders over 400 meters should be ammended to the 800 meters within the MTO Standards.

Amendment to each Dock Holder that each should only have one dock and one lift makes ample room for everyone. Reduce docking width to 20 feet each.

Neighbouring back lots/dock owners do not want waterfront sold, would rather city owns shoreline.

Attached please see signatures.
