Subject: RE: New City logo for Agency and Board use

Carolyn:

The Ganaraska Region Conservation Authority Board of Directors provided staff direction at their September 17, 2021 meeting to prepare the preliminary budget. The preliminary budget, which will include the proposed municipal levy, will be presented to the Board of Directors at their October 21, 2021 meeting. At that meeting it is expected that the Board will direct staff to circulate the preliminary budget and specifically the municipal levy allocations. It is expected that the levy increase to the City of Kawartha Lakes will be less than 1% or no more than \$31.00.

If you require any further information, please do not hesitate to contact the undersigned. Take care.

Linda
