## Benefits of being a PCP member.

- The PCP Program helps lighten the load
- PCP has developed many case studies highlighting “projects that work”
- Access a database of PCP approved climate action plans from across Canada
- With 25+ years of experience PCP can help your municipal team get the job done
- Recognition for work that you’ve already accomplished
- Provides a baseline of comparison so that municipalities can quantify their progress
- Strength in numbers: PCP represents municipalities of all sizes and geographies from coast-to-coast-to-coast.

# The 5 Milestone Framework

To reduced greenhouse gas emissions

# Recognizing Kawartha Lake's achievements to date
