## **Background:**

The Lindsay Legacy C.H.E.S.T. Fund Grant Committee met to review and recommend applications for the disbursement of 2022 funding.

Twelve applications were received by Committee Secretary LeAnn Donnelly prior to the posted deadline and circulated to Committee members. Applications were reviewed for completeness based on the application checklist.

The recommendations drawn from the minutes of the meeting form the basis for the findings of this report.

## **Rationale:**

In 2020 the Council approved the recommendation of the Committee to forgo the usual grant distribution process for the 2021 year and have up to \$380,000 of interest be available to the Community Pandemic Recovery Fund (CPRF) Committee for distribution. The CPRF Committee awarded interest of \$174,331.78 of C.H.E.S.T. interest as approved by Council and on April 20, 21 Council passed the following resolution:

### ***CW2021-105***

***That the balance of \$205,668.22 in Lindsay Legacy CHEST Funds allocated to the Community Pandemic Recovery Fund but not awarded, be released to the Lindsay Legacy CHEST Fund Grant Committee and their distribution process be reinstated.***

With the returned interest from the Community Pandemic Recovery Fund combined with additional interest earned the total interest from 2020 is \$232,891.78. Total interest earned from January 1 – August 31, 2021 is \$261,382.34. There were 12 applications submitted, with a total request of \$583,265.99. All applications have been reviewed by the committee, and as a result six (6) applications are recommended to receive full funding, three (3) applications are to receive partial funding, and three (3) applications are not being recommended due to not meeting application criteria and due to limited funding available for distribution, for a total allocation of \$494,228.50.
