## Background:

On November 2, 2021, The Bobcaygeon Legacy C.H.E.S.T. Fund Grant Committee met to review and recommend applications for the disbursement of 2022 funding.

All applications were received via email to Committee Secretary LeAnn Donnelly prior to the posted deadline and circulated to Committee members. Applications were reviewed for completeness based on the application checklist.

The recommendations drawn from the minutes of the meeting form the basis for the findings of this report.

## Rationale:

Total interest earned from January 1 to August 31, 2021 is \$21,537.89. The Committee remains committed to the retention of earnings for inflationary growth fund therefore (10%) \$2,153.79 of interest earned from January 1 to August 31, 2021 will be allocated directly to the principal of the fund. There is a balance of \$104,833.00 of unallocated funds from previous year plus \$4,827.37 from a return of 2010 accrual contingency for Hydro One Dispute. This results in a total of \$129,045.37 being available for distribution.

There were 8 applications submitted, with a total request of \$98,225.12. All applications have been reviewed by the committee, and as a result all eight (8) applications are recommended to receive partial funding.
