Subject: New Bylaw charges

Dear Mr Aguanno

My name is Michael Tomaszewski we own Double M campground in Lindsay and just have a few comments on the proposed changes to the trailer park Bylaw.

I have no issues with the basics changes , however section 3.05 d and e; are not only unnecessary but are redundant. The Ministry of environment makes us comply to all water and sewage legislation.

The private campground industry brings in thousands upon thousands of seasonal incomes for our local businesses.

If you have any questions please feel to contact me either though email or by phone at

Thank you
