Policy Statement and Rationale:

The City of Kawartha Lakes shall dispose of surplus real property in an open and transparent manner in accordance with the City of Kawartha Lakes Bylaw 2010-118, as amended, and in a way that maximizes its social, economic, environmental and cultural return to the City of Kawartha Lakes.

This policy shall ensure that transparent and accountable processes are followed in the disposal of all real property and will ensure that returns are fair, reasonable and in the best interests of the City of Kawartha Lakes.

Scope:

This policy applies where real property is disposed of by the City of Kawartha Lakes. The City's Land Management Department shall undertake the disposal of real property in accordance with this policy and the City of Kawartha Lakes Bylaw 2010-118, as amended.

This policy applies to all City of Kawartha Lakes employees, and any agents or assigns authorized to dispose of real property on behalf of the City.

Definitions:

Abutting owner – in the case of the disposal of a closed road or highway, an abutting owner refers to an owner, the front, rear or side of whose property is immediately beside

the road or highway, but does not include an owner whose property touches either end of the road or highway. With respect to any other real property disposal, an abutting owner is any owner whose real property touches the City's real property.

Appraisal – a written estimate of current market value prepared by a CRA or AACI who is a member in good standing with the Appraisal Institute of Canada.

Disposal – the sale or exchange for other real property of any of the City's real property that has been declared surplus, but does not include the leasing of City-owned property or the granting of an easement or right-of-way.

Market value – the highest price a willing buyer would pay and a willing seller would accept, both parties being fully informed, and the real property being marketed for a reasonable period of time.

Non-viable real property – real property for which a building permit cannot be granted because either it is landlocked, or it is of insufficient size and shape to permit development unless developed in conjunction with abutting land.

Real property – land and/or buildings and all improvements thereon.

Surplus real property – real property that is not required to meet the current or future program or operational requirements of the City and that has been declared to be surplus by City Council or its delegated authority.

Viable real property – real property for which a building permit can be granted.

Policy:

1. General

- 1.1 Where real property is proposed to be disposed of, it shall first be determined to be viable or non-viable by the Land Management Committee.
- 1.2 Subject to Section 1.3, real property shall be disposed of at the appraised market value unless waived by City Council.
- 1.3 Notwithstanding Section 1.2, City Council may, unless prohibited by the Municipal Act, authorize the disposal of real property at less than market value if, in its opinion, it is in the best interests of the City to do so.
- 1.4 All City-owned real property is a corporate asset and not an asset of any individual department. Monies received from the disposal of any real property

shall be deposited to the City's Property Development Reserve Account, unless otherwise required by the Planning Act or directed by City Council.

- 1.5 This policy shall not apply to the disposal of real property which is the subject of an agreement entered into by the City for the provision of municipal capital facilities pursuant to section 110 of the Municipal Act.
- 1.6 The disposal of a surplus road allowance to be constructed as a future road and the disposal of surplus road widening requirements shall be carried out in accordance with the Council approved by-laws of Road Allowances. A surplus subdivision block no longer required for a future road shall be carried out in accordance with the Council approved by-laws of Road Allowances, unless the subdivision agreement requiring the conveyance of the subdivision block to the City directs otherwise. All other surplus closed road allowances shall be disposed of in the same manner as any surplus real property, in accordance with this policy.

2. Conditions for the Disposal of Real Property

Unless otherwise stated in this policy, the following conditions must be met before the disposal of any real property:

- 2.1 The real property shall be declared surplus to current or future program or operational requirements of the City.
